PULSEmini
Quick Start Guide

innuos

Thank you for buying our PULSEmini Network Music Player and welcome to Innuos family!

This Quick Start Guide will show you how to get started with your new music player.
For further details, troubleshooting, and help with advanced setups, visit our support page
at https://innuos.com/support/.

At Innuos, we appreciate your feedback. In fact, once you download and start using
our Sense app to play your music, we encourage you to register at our Feedback Zone
at https://feedback.innuos.com/ where you can help shape future software development by
providing your thoughts and feature requests.

You can also join us on social media to keep informed about events, new features and products.
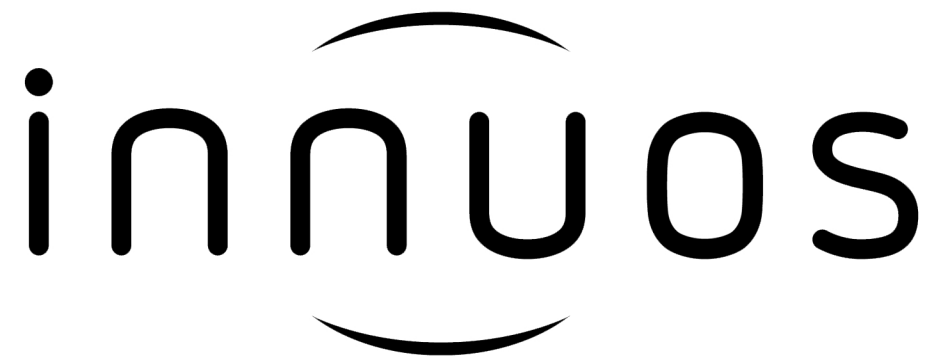

Enjoy the music,
The Innuos Team
